<b>Cheap and Chic Advice</b>	A stunning venue full of romance, but not suitable for people with walking difficulties due to the steep pedestrian road that leads to the terrace.

A romantic Medieval castle perched on a hill which overlooks the blue water of Lake Garda: can you envision a more romantic venue for your Malcesine wedding!?

The castle was built in the IX Century and its impressive tower dominates with its irregular pentagonal shape the village, erecting on the lake for 70 meters and 31 meters high on its base: a unique setting for Malcesine weddings photo shootings.
