<b>Cheap and Chic Advice</b>	Many options for all tastes. The lemon groove is really a unique location.

For small groups the most stunning option for a Torri del Benaco wedding is definitely the tower of the castle. The view from there is breathtaking and the ceremony is very intimate. The lemon grove, though, is still a superb setting. As you may know Lake Garda surroundings are very famous for vineyards and...olive groves! An area of the lake is even called *Riviera degli Ulivi*.
