<b>Cheap and Chic Advice</b>	Reach the church by car (town hall permission required). Even if short, the uphill lane is steep and may damage your make-up especially in summer time.

A Medieval jewel, like a delicious wedding favor, the church of the Assumption is one of the most beautiful churches for weddings in Lake Orta; a usual setting for Vogue and other leading bridal magazines photo shooting.

From the churchyard the landscape is unforgettable: a view that sweeps from the old village of Orta San Giulio, the tiny Island lying in the middle of the lake, and the crown of the Alps. The interior is full of important and valuable artworks.
