Cheap and Chic, Positano wedding planner, designs civil weddings in Positano in this magic terrace located near the local town hall. A Positano wedding will allow you to tie the knot in the most romantic terrace "hunging" in the middle of the blue Amalfi Coast sea. And below, and around you, the colourful Positano village gracefully rooted in a rocky coast. In case of adverse weather condition an indoor Positano wedding hall is available; it will be very unlikely that you will need it, but consider anyway to bring a colourful umbrella with you: it will be a great touch for the photo shooting and a useful tool for the heat of the sun!
