<b>Cheap and Chic Advice</b>	For couple looking for a luxury and historical setting.

This magnificent Baroque palace (one of the largest in Venice) located in Dorsoduro quarter was founded in seventeenth century by a rich Greek merchant. The most luxury ambient of the palace is the Ball Room where is possible to celebrate intimate and large wedding ceremonies and receptions. On the two sides of the hall two big mirrors reflect each other providing a surprising "infinite" effect. The hall is frescoed with precious paintings and even the ceilings are decorated with a marvelous fresco.
