The most photographed corner of Portovenere; an ancient Church standing on a natural promontory, a sheer drop to the sea. The views from its terrace is unforgettable; a panorama of a touching and pure beauty, different bright colors which blends like in a romantic painting from the XIX Century. It is located at the very end of Portovenere promontory where an outdoor long flight of stairs accompanies the brides to the entrance of the Church for celebrating romantic Catholic weddings in Portovenere.
