Cheap and Chic Advice	A mystic and austere and scenic Church for a countryside Chianti wedding; a wonderful choice for Roman Catholic couples.

Cheap and Chic organizes Catholic wedding in Tuscany in this impressive *Pieve*. The church is located in the Chianti hills the right of the river Elsa, along the so-called Via Francigena, an ancient road that in medieval times led pilgrims from all over Europe to Rome. The same road that was traveled by the Archbishop of Canterbury around 990AD in his return from Rome. And the first testimony of the Church is indeed the documents describing that journey! The Church despite the renovations and expansions that have been subject over the centuries, retains a great late-romantic architectural interest with a plant with three naves separated by six arches supported by columns for each part. A mystic atmosphere and a scenic setting are the main reason why this Church is among the most beloved for a wedding in Tuscany. Discover Cheap and Chic's [Tuscany wedding planner](#) catalog.
